PART NUMBER RENEWAL

We changed some F/C part numbers as below table because below items have 2 types as "with fan blade" and "without fan blade", but there was no way to distinguish by the part number.

So, we add "F" at the end of the part number to F/C which has fan blade as below.

For the F/C which has no fan blade, there is no "F" at the end.

Please make sure when you order the F/C with fan blade.
